Press release

Kazabazua, towards an intelligent community with Voilà!

Kazabazua, October 26, 2017 - The Municipality of Kazabazua is proud to announce its adhesion to the new smart city citizen communication platform **Voilà!**

«The platform **Voilà!** is the ideal tool to facilitate the interaction between the municipality and the citizens.

The platform is designed to offer citizens all the relevant information in a personalized citizen file.

It allows citizens to register to check their tax bill and evaluation online and to receive their tax bill online when you register..

All citizens of the municipality of Kazabazua can now create their profile on the web portal **Voilà!** accessible on our website kazabazua.ca and are invited to register to benefit from all the benefits of the platform.

For more information on the platform: visit www.appvoila.com

Voilà! is developed by PG Solutions, www.pgsolutions.com, a developer of software solutions aimed primarily at the Quebec municipal market.
